

[EXPERIENCE KENYA SAFARI- DAILY DEPARTURE.](#)

[Day 1; Nairobi /Amboseli](#)

Upon arrival at JKIA you are met by Nature Expedition representative and drive to Amboseli, and arrive for an afternoon game drive. This park is famous for its big game and scenic beauty with the landscape dominated by the Mt. Kilimanjaro. It offers an interesting contrast with its dry and dusty appearance, which can be attributed to the volcanic ash that came out of Mt Kilimanjaro when it last erupted. In spite of the appearance, there is a continuous supply of water that gets filtered through volcanic rocks from Kilimanjaro's melted snow. These streams flow underground, creating lush green areas, and converge at two clear water springs in the park. Dinner and overnight at **Kibo Safari Camp or Similar [Full Board]**
